ENGLISH SKILLS BUILDER

■ Your trusted resources aligned with the Australian Curriculum

SERIES OVERVIEW

The Australian Curriculum edition of the English Skills Builder series sees these best-selling skills resources fully revised to address the three English strands of Language, Literacy and Literature. Designed to complement any English program, this series will teach and reinforce the skills that students need at junior secondary level. Each workbook is divided into 50 units, and content explores different aspects of language use as well as different text types and genres.

The English Skills Builders are now accompanied by digital ebooks. The ebook is a cloud-based resource available anywhere, anytime, on any device, navigated by topic or by ‘page view’. As well as containing the student text, the ebook offers additional Enriching Literature units focusing on texts relevant to the cross-curriculum priorities, as well as popular classic and contemporary texts.

**ebooks assess**

The ebook is a cloud-based resource available anywhere, anytime, on any device and can be navigated by both topic and by ‘page view’. The ebook provides the complete student text in an interactive workbook format for any screen size, with a note-taking study tool and dynamic question blocks. SERIES OVERVIEW

The Successful series is designed to provide students with a thorough grounding in the fundamental English skills of grammar, spelling, comprehension and writing. With two approaches to choose from, this write-in workbook series will complement any English program.

Successful Grammar, Successful Spelling, Successful Comprehension and Successful Writing are dedicated to a specific English skill and can be used throughout the first three years of secondary school.

Successful English 1–3 takes a year-level approach. The three books – one for each of the first three years of secondary school – comprise four sections: spelling, grammar, comprehension and writing. Students get four books in one!

KEY FEATURES

- Will help students consolidate language and grammar skills in line with the Language strand of the Australian Curriculum: English
- Ideal preparation for the skills needed to succeed in the literacy component of NAPLAN testing
- A flexible and focused series suitable for any school and student
- Perfect for classroom or homework use
- Contains a range of high-interest and fun activities

TEACHER RESOURCES

SKILLS & CONVENTIONS

SERIES OVERVIEW

Skillworks: Australian Curriculum edition is a complete weekly homework program. Each week, students complete a thematically based, double-sided worksheet, and build their knowledge and skills in comprehension, grammar, punctuation, spelling and vocabulary. Each worksheet contains a clear explanation of a particular rule, a text extract or a word list supported by engaging and relevant exercises. As a series, Skillworks supports development of skills tested in the NAPLAN testing program.

KEY FEATURES

• Updated content and themes will help students consolidate language and grammar skills in line with the Language strand of the Australian Curriculum
• Themed worksheets that allow students to develop their skills within a meaningful context
• Skills are revisited and reinforced across the series
• Perforated and hole-punched for easy removal and storage
• Simple and efficient marking system
• Extension tasks for fast finishers
• Answers provided in a tear-out section at the back of each book and via the obook

SKILLS & CONVENTIONS

For students in the first years of secondary school, Grammar in Action helps students learn and put into practice the foundations of language and writing development.

- Each book contains 20 units. In each unit, an aspect of grammar is covered in two parts:
  - In Focus – this double-page spread teaches students about grammar, punctuation and writing skills in the traditional way
  - In Context – this double-page spread explores a particular grammar point in the context of a piece of writing
- Individual units may be selected to support a particular class or student
- Supports skills development for NAPLAN language content testing

YEAR 10
Written specifically for the new 2016 Study Design, *Reading and Creating / Reading and Comparing* comprehensively covers Area of Study 1 of the new course in a hybrid write-in workbook and textbook format, using student-friendly language. Ideally used from Year 10 and carried into Years 11 and 12, *Reading and Creating / Reading and Comparing* will prepare students for VCE English success. Using a broad selection of text extracts (including text pairings in the ‘Comparing’ section), the book covers topics including: textual features, understanding texts, analytical writing, creative writing, reading for comparison, making connections and contrasts, and comparative writing. Additionally, a helpful toolkit provides templates, annotated sample responses, practice SAC and examination tasks and a glossary. The text is supplemented digitally with *ebook* and *assess*, including further support for EAL students.

### ebooks assess

The *ebook* provides the complete student book in an interactive format where students can answer all questions on screen. *assess* is an indispensable online assessment tool with auto-marking multiple choice questions to enhance writing skills. NEW: Interactive tools! The essay writing portal allows students to write essays directly into a scaffold with prompts and hints. The text analysis portal (single or comparative) allows students to upload a piece of text and annotate it on screen.

*Teacher ebook assess* provides teachers with text support and sample SACs. Teachers can assign work or assessments, set reminders and view student progress, analyse results, and share notes with their class.

**AUSTRALIAN DICTIONARIES FOR SECONDARY STUDENTS**

Oxford University Press’s Australian secondary school dictionaries have all been compiled specifically with the needs of Australian secondary school students in mind. Each dictionary draws its ultimate authority from the vast resources of the Oxford English Dictionary and its continually updated database, with Australian material drawn from the Australian National Dictionary and the database of Australian English maintained by the Australian National Dictionary Centre in Canberra. The dictionaries are then edited according to the needs of each age level and the demands of the curriculum, from the first years of secondary school through to Year 12.
